We are excited to launch our new membership website. Each household (those living at a single address) is a membership "bundle". Each bundle has anywhere from 1-10 household members depending on the membership level and includes children. One household member will be the "bundle coordinator" and will receive communications for the bundle. Other bundle members may alter their settings to receive communications (or not). All household members who desire access to events, facilities and members only areas of the website will need their own account. Instructions for adding / managing membership bundles will be provided soon.

After initial accounts are established, renewals will not require the sign-up process outlined below. If you need assistance please contact the webmaster@marlbankfarm.com. Let's get started. Head over to the MRA website - <u>MRA Home</u>
